TD 291 Colombo Combo

Attractive design

Designed by Chauhan Studio in London, its shapes come directly from the seventies and offer the perfect mix between trendy forms and total comfort of use. Its white retro color, associated to black glossy screen and keypad, gives to this phone an attractive and original look.

Corded phone and DECT handset

The TELEFUNKEN TD 291 Colombo Combo gathers all the advantages of both corded and DECT phones in one unique product combining comfort and ease of use

Full package

This Combo offers 2 graphical displays with backlit, 2 speakerphones, a digital answering machine with 30 minutes storage capacity, 3 direct memory keys, an agenda and the SMS function.
